

## Mark in 30 Days

- |     |                                    |     |                                           |
|-----|------------------------------------|-----|-------------------------------------------|
| 1.  | 1:1-13                             | 24. | 13:1-13                                   |
| 2.  | 1:14-28                            | 25. | 13:14-37                                  |
| 3.  | 1:29-45                            | 26. | 14:1-31                                   |
| 4.  | 2:1-22                             | 27. | 14:32-72                                  |
| 5.  | 2:23-3:12                          | 28. | 15:1-20                                   |
| 6.  | 3:13-35                            | 29. | 15:21-47                                  |
| 7.  | 4:1-20                             | 30. | 16:1-8 (9-20 not in earliest manuscripts) |
| 8.  | 4:21-41                            |     |                                           |
| 9.  | 5:1-20                             |     |                                           |
| 10. | 5:21-43                            |     |                                           |
| 11. | 6:1-29                             |     |                                           |
| 12. | 6:30-56                            |     |                                           |
| 13. | 7:1-23                             |     |                                           |
| 14. | 7:24-8:10                          |     |                                           |
| 15. | 8:11-30                            |     |                                           |
| 16. | 8:31-9:13                          |     |                                           |
| 17. | 9:14-32                            |     |                                           |
| 18. | 9:33-50                            |     |                                           |
| 19. | 10:1-31                            |     |                                           |
| 20. | 10:32-52                           |     |                                           |
| 21. | 11:1-25(26 not in all manuscripts) |     |                                           |
| 22. | 11:27-12:17                        |     |                                           |
| 23. | 12:18-44                           |     |                                           |
